

Paint: **Week 1: you will only need Titanium White and Mars Black**

Titanium White	*Cad Yellow Medium	*Cad Orange
Hookers Green	*Cad Red	Burnt Sienna
Ultramarine Blue	Diox Purple	Light Olive Green
Alizarin Crimson	Paynes Grey	Liquitex Medium Magenta
**Cerulean Blue Hue		

*cad free paint is perfectly suitable

** cerulean blue hue is optional

If you are an experienced painter and already have supplies, bring what you have.
We can make almost anything work :)

Brands: I use a mix of Liquitex and [Golden](#) brands. Do not buy the fluid type of paint, as it is too watery. Buy the best you can that fits your budget.

Brushes: Natural brushes in a mix of sizes (2, 4, 6, 8, 10, 12)
Synthetic brushes in a mix of sizes (2, 4, 6, 8, 10, 12)

* buy sizes that work for you, ideally long handled brushes. You don't have to get all of the above, but at least a 4, 8 and 12 in natural and synthetic

I like *filberts* and *flats*. If you already have brushes you like, bring those.

[Masterson Sta-Wet Palette Box](#)

[Masterson Sta-Wet Palette and Palette Paper](#)

Canvases: You can usually find bulk packages of canvases at local art supply stores
For the first class you will need two 9x12 canvases

Spray Bottle
Color Wheel
Paper Towels
Soft Vine / Willow Charcoal
Water Cup

Art Bin makes great "tackle boxes" or paint / brush organizers - not required but helpful for transporting supplies
